

"I want to give you a big thank you for getting the Reco social channels off the ground these past few months. Your work has been invaluable to launching the brand – from investigating content creators,

potential content acquisitions, helping build our content plan, helping with editorial, creating the social calendar to managing our accounts now that we're live. Thank you for your expertise, dedication and the fantastic job that you've done to help with our launch."

-Tripadvisor, Director, New Ventures

"Just wanted to drop a note to let you know we LOVE this copy. Amazing job!!!!"

-Hyatt, Global Director, Social Media + Content Marketing

"Thank you SO much. We very much appreciate Townhouse and all of your hard work."

"Thank you again for your great work on the copy for our films, we are very pleased."
